FYI – I spoke with [Citizen Name/Ex. 6] on 9/1/15 with Mike Rudy on the conference line. I explained what work we were doing following the GKM release, specifically at the claim she owns ([Redacted]). [Personal Matters/Ex. 6] [Personal Address/Ex. 6] And asked for permission to access her

property and to place a drainage pipe on her property for at least 12-18 months. We also talked about potential waste removal and restoration, if needed. I stated that we will be piping adit water to a location near Gladstone.

She was supportive of our effort and gave us verbal consent on 9/1/15. Once I get the signed access agreement I will send It out.
